

Programme

Day 1 Saturday, November 3, 2007

WORKSHOP :

Lung involvement in emerging infectious threat

WS-01 : Lungs in Avian Influenza

- 08.00 - 08.30 : Avian Influenza infection in human
dr. Laksmi Wulandari, Sp.P
- 08.30 - 09.00 : Case management of Avian Influenza patient in the hospital
Dr. dr. J.F. Palilingan, Sp.P (K)
- 09.00 - 09.30 : Laboratory diagnosis of Avian Influenza
dr. Endang Retnowati, Sp.PK, MS
- 09.30 - 10.00 : Nurse and health care provider protection from Avian Influenza virus
dr. Winariani, Sp.P (K)
- 10.00 - 10.30 : Hands on / demo General Precaution
Avian Influenza Team Dr. Soetomo Hospital
- 10.30 - 11.30 : Case presentation and interactive session

Lunch session : Obstructive Sleep Apnea

- 11.15 - 11.45 : Obstructive sleep apnea, problem and management
dr. Handoko, Sp.P
- 11.45 - 12.45 : Lunch break & Prayer time

Workshop-02 : Lungs in HIV / AIDS

- 12.45 - 13.15 : Opportunistic infection in HIV/AIDS
Dr. dr. J.F. Palilingan, Sp.P (K)
- 13.15 - 13.45 : TB and HIV co-infection
dr. Helmia Hasan, Sp.P
- 13.45 - 14.15 : Pneumocystis pneumonia in HIV/AIDS patients
dr. Sudarsono, Sp.P (K)
- 14.15 - 15.45 : Fungal infection in HIV/AIDS patients
Prof. Dr. dr. Benjamin P. Margono, Sp.P (K)
- 15.45 - 16.15 : Antiretroviral in HIV/AIDS patient in the presence of pulmonary opportunistic infection
dr. Laksmi Wulandari, Sp.P
- 16.15 - 17.15 : Case presentation and interactive session

Day 2 Sunday, November 4, 2007

SYMPOSIUM :

Comprehensive management of Chronic Obstructive Pulmonary Diseases: from basic to clinic

- 07.00 - 08.00 : Registration
08.00 - 08.15 : Opening
08.15 - 08.35 : Keynote speech : COPD; present challenge and future directions

Symposium I

- Moderator : Dr. Muh. Jusuf Wibisono, Sp.P (K)**
- 08.35 - 08.55 : Pathophysiology of COPD
Dr.dr. Achmad Zainullah, Sp.P
- 08.55 - 09.15 : Smoking & COPD : the necessity of cessation and nicotine replacement
dr. Isnu Pradjoko, Sp.P(K)
- 09.15 - 09.35 : The role of oxidant in COPD
Prof. Dr.dr. Muh. Amin, Sp.P(K)
- 09.35 - 09.50 : Discussion
09.50 - 10.05 : Coffee break

Symposium II

- Moderator : dr. Winariani, Sp.P (K)**
- 10.05 - 10.25 : COPD: signs, symptoms, investigation, and assessment of severity, GOLD revised 2006
dr. Sudarsono, Sp.P (K)
- 10.25- 10.45 : Overall management of stable COPD
dr. Daniel Maranatha, Sp.P(K)
- 10.45- 11.05 : The role of LABA and steroid combination in COPD, recent evidence
Prof. Dr.dr. Muh. Amin, Sp.P(K)
- 11.05 - 11.20 : Discussion

Lunch Symposium

- Moderator : Prof. Dr. dr. Benjamin P. Margono, Sp.P (K)**
- 11.20 - 11.40 : The role of infection in acute exacerbation of COPD: proper antibiotic choice
Dr. dr.JF Palilingan, Sp.P(K)
- 11.40 - 12.00 : Farmasi / product launching / profile
12.00 - 12.15 : Discussion
12.15 - 13.15 : Lunch break & Prayer time

Symposium III

- Moderator : Dr. Muh. Jusuf Wibisono, Sp.P (K)**
- 13.15- 13.35 : Cardiac complication in COPD and its management
Dr. Agus Subagyo, Sp.JP FIHA
- 13.35 - 13.55 : Diagnosis and management of COPD in Primary Health Care
dr. Nurlaeli, Sp.P
- 13.55 - 14.15 : Rehabilitation in COPD
dr. Slamet Hariadi, Sp.P
- 14.15 - 14.30 : Discussion
